Section 2

The purpose for the trip is to compete in the State SO Competition.
The Team qualified at our regional event for the bid.

Section 3

State Competition is held on Saturday, April 22, starting at 8:30am and ending at 8:30pm. Team will travel Friday to NC State University for opening ceremonies on Friday, April 21st. Team will compete until 3:30 and will not be able to attend closing and awards due to time of travel back to Polk County. ** Could attend if we could stay two nights and return on Sunday.

We will be departing from **PCMS on Friday, April 21 at 8:30 am**. We will then be traveling to Raleigh stopping for lunch at **Wendy's (student pays)**. We will arrive at the NC State Campus and register for the weekend competition around 4:00 or 4:30. We will stay on the campus and take part in the opening ceremony, which starts at 5:00. When this event concludes, students will be heading to the mall. We will have **dinner in the food court (student pays)** and then go back to the hotel. Room assignments will be chosen by Coaches.

Saturday breakfast will be provided by the hotel and we will have muffins and such. We will then be at NC State campus all day, Saturday April 22. Lunch that day will be provided by the school, usually pizza. We will compete in events throughout the day and then have closing ceremony around 5pm. This year we have decided not to stay for closing/awards ceremony because of the late return time. If we were to win a medal they would send that to us. We will stop and eat at a **Golden Corral (student pays)** for supper that night. Students will not return home until around **midnight or later** (Saturday night).

Principal Endorsement

I fully support our Science Olympiad team traveling and staying overnight in Raleigh. This overnight trip will allow our students to compete and represent PCMS at the state science olympiad competition. Our students and coaches have worked very hard to earn the right to attend and compete at this competition. I fully endorse their participation in this state competition.
