

Polk County Schools 22/23 CTE LOCAL PLAN

1 Increased Credential Attainment

Our attainment has experienced significant growth, rising from 572 in the 2021-2022 academic year to 840 in 2022-2023. This increase underscores our teacher's commitment to academic excellence and preparing our students for future success.

2 West Top performing

1st: 2S1: Reading/Language Arts
1st: 4S1: Non-traditional Enrollment
1st: 5S4: Program Quality
2nd: 2S2 Mathematics

3 State Rankings

1st in State: 4S1 Non-traditional Enrollment
2nd in State: Program Quality

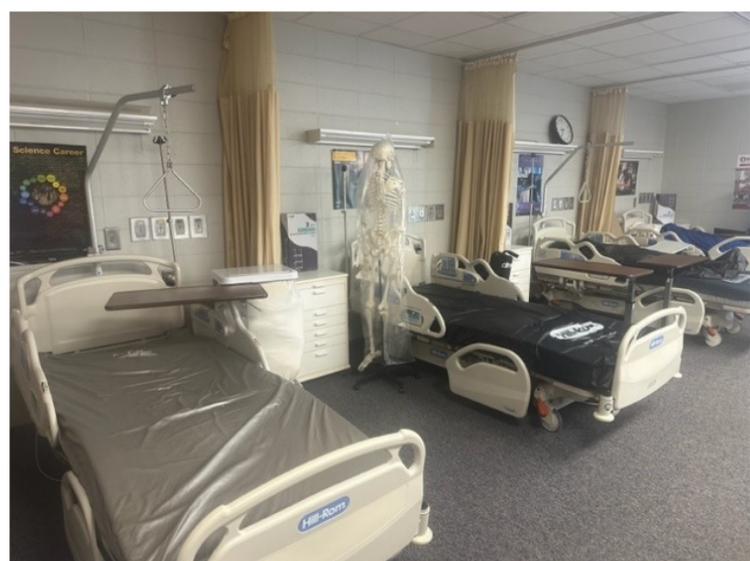

4 Pre-apprenticeship Programs

We have initiated pre-apprenticeship programs in Early Childhood Education as Polk County Schools as the sponsor and are currently in the early stages of establishing similar programs in Horticulture and Certified Nursing assistant at St. Lukes Hospital.

5 Updated Nursing Fundamentals Lab

Michelle Fortune, CEO of St. Lukes Hospital, generously donated five upgraded hospital beds after her visit to our school during a CTE advisory committee meeting. This significant contribution will greatly enhance our medical care capabilities.
