

Polk County Schools

Board of Education Info Brief

Summer Learning 2024

Elementary Summer Learning:

Polk County will offer a K-5 summer learning program from June 3rd to 14th, 2024 at Polk County Middle School. The program will be offered to at-risk students and will focus on addressing learning losses and providing interventions to mitigate these deficiencies.

- Grades K-2 Reading & Math Instruction
- Grades 3-5 Reading & Math Instruction
- Food Service will provide breakfast and lunch
- Transportation will be provided from the individual elementary school locations
- Enrichment activities will be provided

Middle School Summer Offerings:

Rising 6th graders will be invited to “Jumpstart” in August. Students will enjoy learning about the middle school team teaching model and will be active in team-building relationships while becoming familiar with the layout of the building.

High School Summer Offerings:

Polk County High School will continue offering courses for credit recovery during the summer months for those students who need additional support.
